To the parents of all Year 2 children

Dear Parent/Carer

Helping your child with Mathematics

We hope that those parents who came to our meeting regarding the end of Key Stage 1 assessments last term found it interesting and informative. As promised, for your information, I enclose a list of the most commonly used words that Year 2 children should be able to read and spell.

We are holding our next meeting on **Tuesday 20 January** at 6.00 pm to explain about the teaching and learning of Mathematics. We will again be sharing with you ways in which you can support your children's learning at home.

Would you please indicate whether or not you will be attending the meeting on 20 January by signing and returning the slip below.

Yours sincerely

Miss M Mersh
