## RECYCLING WORKSHOPS

This week all the Reception class children took part in workshops where they made recycled models.

## SCHOOL COUNCIL

We now have a School Council made up of representatives from all the Key Stage 1 classes. The children are taking their new roles very responsibly and enjoy helping to make decisions about their school. They are at present helping to organise a school Keep Fit day in order to raise money for more lunchtime equipment.

**GETTING TO SCHOOL ON TIME** I have noticed recently that a few children are repeatedly late for school each morning. It is important that all children arrive at school in good time for the start of the school day at 9.10am. In the best interest of your child's education and that of his/her class mates would you please ensure that your child is on time for school so that lessons can start promptly.

Can I also remind you that a responsible adult should always wait with the child in the playground to see them safely into school when the bell rings.

Thank you for your cooperation, it is appreciated.
