ASSESSMENT FOR LEARNING DAY (PARENT/TEACHER CONSULTATIONS)

All parents will shortly receive invitations to our Parent and Teacher consultations. Please ensure that you make an appointment so that you can discuss your child's progress and targets with your child's teacher.

SAFETY NOTICE - Thank you for your cooperation

We have noticed an increase in the number of parents coming into school at the beginning of the school day. This is causing unnecessary congestion in the corridors. Can I also remind parents that **NO BUGGIES** should be brought into school. Our corridors are narrow and extra adults and buggies are causing a health and safety hazard and a security risk. We encourage independence in all our children when taking their coats off etc. Of course, parents are always welcome to come into school if they have any concerns, once the children are settled.

PARENT SUPPORT ADVISER

We now have a Parent Support Adviser working in our school on Thursday afternoons. Sunita Varma is here to support and advise parents. Sunita is a qualified counsellor and will help with form filling, housing benefit advice, applications for free school meals, etc. This is a confidential service. Appointments can be made with through the school office.
